CHRISTIAN SCHOOL

NEWSLETTER – OCTOBER 16, 2020

Half Day of School

This Tuesday, October 20, is the last day of the first quarter, which means that we will be dismissing the students at 12:00 PM that day! We do this at the close of each quarter, so that the teachers can focus on getting their students' grades finalized. As a reminder, lunch is not served on half days, but elementary students will still have a snack time.

Thank You!

To those who attended ECS Night this past Tuesday, thank you! We are thrilled that so many of our school families were able to attend. Great job, elementary choir, for your fantastic job singing in the service!

Jog-a-thon Rewards

You are not going to believe how much money we raised for the Jog-a-thon! Head over to our Facebook and Instagram pages to see the grand total! Remember to like, comment on, and share our school posts! Mr. Messer promised the students that if we reached our goal of \$10,000, he would give them an extra half day of school! Since our grand total well surpassed our goal, we have scheduled a half day for Friday, November 6! Individual prizes for the fundraiser were awarded today at our Jog-a-thon awards assembly.

Report Cards

First quarter report cards will be sent out via Schoolworx on Friday, October 23! As a reminder, report cards must be signed online by typing your name in the signature box no later than Friday, October 30. Please ask the office if you have any questions about that.

Grandparents Recognition Day

This year, Grandparents Day on Friday, October 30, is going to look a little different. For health reasons, we will not be inviting grandparents to come to our school, and though we are saddened by this decision, we still want to recognize our students' incredible grandparents! So, **we will be having a half day of school (12:00 PM dismissal)**, and each student will be doing something special in their class to show their grandparents their appreciation! We encourage every family to make arrangements after school for students to call or spend time with their grandparents if possible. Keep an eye out for more information about this event from your child's homeroom teacher.

Student Council

The following students have been elected to serve as our High School Student Council: Mariah Shaffer (President), Joel Cook (Vice President), Reagan Kingsbury (Secretary), Alison Hoyt (Treasurer).

UPCOMING EVENTS

Tuesday, October 20 – End of First Quarter – Half Day of School (noon dismissal)

Friday, October 23 – Report Cards sent out on Schoolworx

Friday, October 30 – Grandparents Recognition Day
