CHRISTIAN SCHOOL

NEWSLETTER – OCTOBER 2, 2020

Jog-a-thon Fundraiser!

The Jog-a-thon is TODAY! Have you sent out the promotional flyer to your friends and family yet? Remember that there are some INCREDIBLE prizes up for grabs for the students, but only ONE WEEK left to collect donations! Donations will be tallied on Friday, October 9, and prizes will be awarded the following week. For more information, visit www.ecs.school/fundraisers.

EBT Fall Revival

Have you marked your calendars for ECS Night? Emmanuel Baptist Temple will be hosting a Fall Revival on October 11-14 at 7:00 PM each night, and all ECS families are invited to attend. We especially hope to see everyone at the service on Tuesday, October 13, at 7:00 PM, as it is **ECS Night!** Miss Messer has been working on an exciting song for the elementary students to sing during the service, so we hope that everyone who is able to will be in attendance. This is not a mandatory event, but we strongly encourage everyone to attend!

Half Day of School

Tuesday, October 20, is the last day of the first quarter, which means that we will be dismissing the students at 12:00 PM that day! We do this at the close of each quarter, so that the teachers can focus on getting their students' grades finalized.

Report Cards

First quarter report cards will be sent out via Schoolworx on Friday, October 23! As a reminder, report cards must be signed online by typing your name in the signature box no later than Friday, October 30. Please ask the office if you have any questions about that.

Grandparents Recognition Day

This year, Grandparents Day is going to look a little different. For health reasons, we will not be inviting grandparents to come to our school on Grandparents Day. Though we are saddened by this decision, we still want to recognize our students' incredible grandparents! So, on Friday, October 30, we will be having a half day of school (12:00 PM dismissal), and each student will be doing something special in their class to show their grandparents their appreciation! We encourage every family to make arrangements after school for students to call or spend time with their grandparents. Keep an eye out for more information about this event from your child's homeroom teacher.
