From the junior and senior classes, a special thank you to all of the grandparents who came out for Grandparents Day!

STUDENTS OF THE MONTH

Harper Clarke is a 4 year old student at ECS. Her favorite season is winter, and she likes to go to water parks to entertain herself. When she has nothing else to do, she is content to stay at home and play with her sister.

Ezra Kinnari is in second grade this year. When he’s not in school, he enjoys playing video games. He loves going to Hershey Park, and winter is his favorite time of year.

Madalynn Powell is enjoying fourth grade at ECS. Her favorite season is winter even though she migrates to Florida every winter (that’s not true, but a beach in Florida is her favorite place to vacation). When she has free time, Madalynn enjoys riding her bike.

One of the students in junior high this year is **Emery Barnhart**. When he can escape from school work, Emery likes to go fishing. His favorite season is fall (because that’s when hunting season is), and the beach is his favorite place to go on vacation.

Simon Hanna, a junior, has been at ECS since K-4. Simon loves to practice sports and workout. His favorite time of year is fall, and his vacation of choice is a cruise to the Bahamas.

POETRY CORNER AUTUMN FIRES

ROBERT LOUIS STEVENSON

In the other gardens
And all up the vale,
From the autumn bonfires
See the smoke trail!

Pleasant summer over
And all the summer flowers,

The red fire blazes,
The grey smoke towers.

Sing a song of seasons!
Something bright in all!
Flowers in the summer,
Fires in the fall!

MESSAGE FROM THE PRINCIPAL

We are in full swing here at ECS! Our fall sports teams are well into their seasons, and we have already had a great start to the school year.

Our recent Yard Sale and Phil & Jerry’s Meat Certificate fundraiser brought in an incredible \$7,283 to benefit our juniors and seniors and ECS! Thank you to everyone who donated, volunteered, purchased certificates, and helped make these fundraisers possible. We are so thankful for the support of our school community!

I am also very proud of the hard work and dedication our students and faculty continue to show each day in the classroom.

October is shaping up to be another exciting month at ECS! We are looking forward to Fall Fest, our Jog-A-Thon, and fall sports tournaments in the weeks ahead.

Thank you to our families, faculty, students, and supporters for all you do to make ECS such a wonderful place to learn, grow, and serve!

How to Stay Motivated When Working Toward a Goal
By Katelyn Chandler

Working toward a goal while staying motivated can be hard, but there are several ways to stay focused on it. When you work toward this goal, it can be hard to just go straight for it; if you break it down into smaller steps it won’t be as overwhelming. For example, if you’re studying five chapters, it would be so much easier to break it into smaller sections or chapters. Another thing you can do is remember why you’re doing it. Are you doing it for your friends, a family member, or even a pet? You can also track your progress, so when you look back and realize how far you’ve come; you can celebrate your progress! Even if you look back and don’t think you’ve come far, small progress is still progress, so stay positive! By setting small goals, staying positive, and being consistent, you can stay motivated while working towards a goal.

SCRIPTURE CORNER

Phil 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.

20 Now unto God and our Father be glory for ever and ever. Amen.

In Phil 4:19-20 the Bible reminds us God will make sure all of our needs our met. only if it is inside his will for our lifes.
