STUDENTS OF THE MONTH

Noah Didi is in pre-k. His favorite part of the school day is lunchtime. His favorite thing he learned about in school was the letters of the alpahabet. Noah's dream super power is loving his teachers.

Cameron Heckman is in Mrs. Gratton's first grade class. Recess is his favorite part of the school day. He learned that 10x10=100, and flying is his dream superpower.

Jackson Messer is enjoying fifth grade at ECS. He loves history with Miss Dickerson. Something cool he has learned in history is the word *Viking*, which means "pirate." His dream super power is to be able to run very fast.

Ebenezer Adegnon is in 7th grade this school year. He enjoys going to recess and playing basketball. He recently learned about Henry the Fowler, and he would love to have the super power of flight.

Emmanuel Adegnon, a freshman, learned that alligators have a four-chambered heart. His favorite part of the day is recess, and his dream superpower is to have speed.

WHY DON'T TEACHERS TRUST ATOMS?

Because they make up everything!

WHY DID THE STUDENT SLEEP IN CLASS?

He wanted to dream of getting an A!

WHY DID THE KID BRING A LADDER TO SCHOOL?

Because he wanted to go to high school!

WE GATHER TOGETHER

BY ADRIANUS VALERIUS
TRANSLATED FROM DUTCH BY THEODORE BAKER

We gather together to ask the Lord's blessing;
He chastens and hastens His will to make known;
The wicked oppressing now cease from distressing.
Sing praises to His name, He forgets not His own.
Beside us to guide us, our God with us joining,
Ordaining, maintaining His kingdom divine;

So from the beginning the fight we were winning:
The Lord was at our side- the glory be Thine!
We all do extol Thee, Thou leader triumphant,
And pray that Thou still our defender wilt be.
Let Thy congregation escape tribulation;
Thy name be ever praised! O Lord, make us free!

MESSAGE FROM THE PRINCIPAL

What a busy and exciting season it has been at Emmanuel Christian School! From our Fall Fest and successful Jog-a-thon to fall athletics and the start of basketball season, there is never a dull moment around here! I have enjoyed watching our students work hard, try new things, and represent ECS so well. I am also grateful for the many families who give so much of their time and support to our school.

Looking ahead, our teachers will attend the ODACS Teachers Convention on November 12-13. I am thankful for our dedicated faculty and opportunities like this for them to grow and be encouraged in their ministry. We also look forward to Great Americans Day on November 24 as we reflect on our nation's heritage and the blessings God has given us.

As Thanksgiving approaches, I am reminded of just how much we have to be thankful for. It is a privilege to be a part of what God is doing here at ECS. My prayer is that we continue to prepare our students not only academically, but spiritually, helping them grow in their walk with the Lord and develop godly character.

Thank you for being part of the ECS family. Let's continue to **Grow, Learn, Lead, and Serve!** -Mr. Messer

SCRIPTURE CORNER

Proverbs 17:17- Iron sharpeneth iron; so a man sharpeneth the countenance of his friend.

In Proverbs 17:17, the Bible mentions how it is vitally important to have good, godly friends. The influence of others can force us to go in the right or wrong direction.
